VOTE EARLY: OCTOBER 20 - 31
ELECTION DAY: NOVEMBER 4

SERVICE TO STATE & COUNTRY

Rick Noriega, Lieutenant Colonel in the National Guard, served as Grenade Commander in Afghanistan during Operation Enduring Freedom, as Sector Commander securing the Texas border, and as the Houston Incident Commander during the Katrina Hurricane crisis. As a Representative in the Texas House, Rick has worked for 10 years to make quality health care and college tuition more accessible and affordable. As your United States Senator, Rick will put Texas families first.

TEXAS FAMILIES FIRST

For too long Washington special interests have come before the people's interests. It's time for a change. As Senator, Rick Noriega will be a strong independent voice for the kind of change that puts real people's interests ahead of the special interests. Rick will put Texas families first when decisions are made about:

- ★ Affordable Quality Healthcare
- ★ Investing in Education and Making College Tuition Affordable
- ★ Solving our Energy Crisis
- ★ Reforming our Broken Immigration System
- ★ Providing Benefits to our Military Service Men and Women
- ★ Building a Stronger Economy

STANDING UP FOR TEXANS

Texans have a simple question to answer: this election year, they better off today than they were 10 years ago? When it comes to the major issues of the day - health care, gas prices, education, veterans benefits, and our immigration crisis - the answer is No. Texans deserve a U.S. Senator who will stand up for them and will represent Texans and not the special interests of Washington. Rick will represent Texas, our families, and you.
